Jill,

Would you be kind enough to coordinate with Joy in setting up a video conference for this presentation. I will be the only person present, unless Ruth's meeting is cancelled.

Thanks.

Ted

Joy,

Since Ruth suggested that I make the presentation in the first place, since she can't be there, I can go ahead and accept directly. I am available on Feb. 27. Just let me know what time you would like to schedule this. I will require six hours (only kidding). I would suggest we aim for one hour including at least some time for discussion.

Thanks.

Ted

Since this date is already a month out, Rick would like for Ted to present on Feb. 27 if at all possible.

Joy,

I currently have a meeting in Lausanne on Feb 27th which would not allow me to provide this presentation. Either I can ask Ted to do the presentation (if he is available), or we should try and schedule it for a different RD&E staff meeting. Please let me know which would be preferable!

Thanks and kind regards,
Ruth

Rick wants you to present (in 30 minutes) above topic to RD&E Staff. Are you available? Timeslot would be 9:00 - 9:30a eastern.
